LearnWay Badge System: Complete User Guide

What Are LearnWay Badges?

LearnWay Badges are special digital collectibles (NFTs) that you earn as you learn, engage, and grow on the platform. Think of them as achievements or trophies that celebrate your progress. Each badge is unique to you and stored permanently on the blockchain.

How Badge Minting Works

Step 1: Registration (Your Journey Begins)

When you first register on LearnWay, the system automatically:

1. **Creates Your Profile** - Sets up your user statistics tracker
2. **Awards Your First Badge: "Keyholder"**
    - If you complete KYC verification → You get a **Gold tier** Keyholder badge
    - If you register without KYC → You get a **Silver tier** Keyholder badge
3. **Checks Early Bird Eligibility**
    - If you're one of the first 1,000 users to register **AND** you're KYC-verified, you automatically receive the rare **"Early Bird"** badge
    - Only 1,000 Early Bird badges will ever exist!

Important Note: Your registration order is recorded permanently. If you register without KYC but come back later to verify, you can still claim the Early Bird badge if you were in the first 1,000 registrations.

Step 2: Earning Your First Activity Badges

As you start using the platform, you'll earn badges for various activities:

Your First Quiz

Complete your first quiz and instantly receive the **"First Spark"** badge. This is a Bronze tier badge that marks the beginning of your learning journey.

First Deposit

Make your first deposit on the platform and unlock the **"Rising Star"** badge (Bronze tier). This shows you're ready to engage with DeFi features.

Badge Types: Static vs Dynamic

Static Badges

These are one-time achievements that don't change:

- **First Spark** - Complete your first quiz
- **Early Bird** - Be in the first 1,000 verified users
- **Routine Master** - Maintain a 30-day streak

- **Quiz Devotee** - Maintain a 60-day streak
- **Duel Champion** - Win 15 battles
- **Crown Holder** - Win 3 contests
- **Community Connector** - Make your first referral
- **Event Star** - Attend a LearnWay event
- **Grandmaster** - Ultimate achievement (only 1 exists)
- **Hall of Famer** - Legendary achievement (only 1 exists)

Dynamic Badges

These badges **upgrade automatically** as you progress:

Quiz Explorer (Bronze → Silver → Gold)

- **Bronze**: Complete 100 quizzes
- **Silver**: Complete 500 quizzes
- **Gold**: Complete 1,000 quizzes
- Your badge automatically upgrades as you hit each milestone!

Master of Levels (Bronze → Silver → Gold)

- **Bronze**: Reach Level 10
- **Silver**: Reach Level 50
- **Gold**: Reach Level 100

Daily Claims (Bronze → Silver → Gold → Diamond)

- **Bronze**: 30-day streak
- **Silver**: 90-day streak
- **Gold**: 180-day streak
- **Diamond**: 365-day streak

Elite (Silver → Gold → Platinum → Diamond)

- Based on gems collected
- **Silver**: 1,000 gems
- **Gold**: 3,000 gems
- **Platinum**: 5,000 gems
- **Diamond**: 10,000 gems

How Badge Upgrades Work

Dynamic badges automatically upgrade when you reach the next tier's requirements. Here's what happens:

1. **System Tracks Your Progress** - Every time you complete an activity (quiz, daily login, etc.), your stats are updated
2. **Automatic Check** - The system checks if you've reached the next tier
3. **Instant Upgrade** - If eligible, your badge automatically upgrades to the next tier
4. **Visual Update** - Your badge's appearance changes to reflect the new tier
5. **You Get Notified** - You receive a notification about your badge upgrade

Example:

- You have a Bronze "Quiz Explorer" badge (100 quizzes completed)

- You complete your 500th quiz
- The system automatically upgrades your badge to Silver
- Your NFT metadata updates to show the new tier
- You can see the upgraded badge in your collection immediately

The Six Badge Categories

1. Onboarding Badges

Your first steps on LearnWay:

- **Keyholder** - Welcome badge (dynamic based on KYC)
- **First Spark** - First quiz completion
- **Early Bird** - First 1,000 verified users

2. Quiz Completion Badges

Celebrating your learning:

- **Quiz Explorer** (dynamic) - Quiz count milestones
- **Master of Levels** (dynamic) - Level progression
- **Quiz Titan** (dynamic) - Correct answers
- **BRAINIAC** (dynamic) - Advanced quiz mastery
- **Legend** (dynamic) - Ultimate quiz achievement

3. Streaks & Consistency Badges

Reward for showing up daily:

- **Daily Claims** (dynamic) - Daily login streaks
- **Routine Master** - 30-day streak
- **Quiz Devotee** - 60-day streak
- **Elite** (dynamic) - Gem collection

4. Battles & Contests Badges

Competitive achievements:

- **Duel Champion** - Win battles
- **Squad Slayer** - Team victories
- **Crown Holder** - Contest wins

5. Skill Mastery Badges

Financial literacy milestones:

- **Rising Star** - First deposit
- **DeFi Voyager** (dynamic) - Transaction milestones
- **Savings Champion** (dynamic) - Deposit achievements
- **Power Elite** (dynamic) - Earn 10+ badges

6. Community & Sharing Badges

Social engagement:

- **Community Connector** - Make referrals
- **Echo Spreader** (dynamic) - Share content
- **Event Star** - Attend events

7. Ultimate Badges

The rarest achievements:

- **Grandmaster** - Only 1 exists
- **Hall of Famer** - Only 1 exists

Special Badge: Power Elite

The **Power Elite** badge is awarded automatically when you earn **10 or more total badges**. This is a meta-achievement that shows you're a well-rounded LearnWay user who engages with multiple aspects of the platform.

How Updates Work Behind the Scenes

Every time you perform an action on LearnWay, here's what happens:

1. **Activity Recorded** - Your action (quiz, deposit, login, etc.) is logged
2. **Stats Updated** - Your user statistics are updated in real-time
3. **Eligibility Check** - The system checks if you qualify for any new badges or upgrades
4. **Badge Minting/Upgrading** - If eligible:
    - New badges are minted as NFTs and sent to your wallet
    - Existing dynamic badges are upgraded automatically
5. **Notification** - You're notified of any badges earned or upgraded

Badge Tiers Explained

Badges come in five tiers (from lowest to highest):

1. **Bronze** ⚡ - Entry level achievements
2. **Silver** ⭐ - Intermediate milestones
3. **Gold** 🏆 - Advanced achievements
4. **Platinum** 💎 - Elite status
5. **Diamond** 💠 - Legendary level (only for special badges)

Viewing Your Badges

Each badge NFT contains:

- **Name** - The badge title
- **Description** - What you achieved
- **Image** - Visual representation with tier indicator
- **Attributes**:

    - Category (e.g., "Quiz Completion")
    - Current Tier (e.g., "Gold")
    - Status (e.g., "Master Explorer")
    - Progress (e.g., "1,000/1,000 quizzes")
    - Last Updated timestamp
    - Badge ID

You can view all your badges in your wallet or on NFT marketplaces!

KYC and Badge Benefits

Completing KYC verification gives you several advantages:

1. **Upgraded Keyholder Badge** - Silver → Gold tier automatically
2. **Early Bird Eligibility** - Can claim if you were in first 1,000 registrations
3. **Full Platform Access** - Unlock all features and earning potential

You can complete KYC at any time, and eligible badges will be awarded or upgraded immediately.

Important Things to Know

Badge Ownership

- Badges are NFTs - you truly own them
- They're stored in your wallet permanently
- You can view them on blockchain explorers
- Each badge has a unique token ID

Badge Limits

- Most badges have unlimited supply
- **Early Bird**: Only 1,000 total
- **Grandmaster**: Only 1 exists
- **Hall of Famer**: Only 1 exists

Badge Security

- Badges use reentrancy protection
- Only authorized platform managers can update your stats
- Badge minting is automated and transparent
- All actions are recorded on the blockchain

Cannot Be Duplicated

- You can only earn each badge once
- The system checks if you already have a badge before awarding
- Attempting to claim twice won't work

Getting Started

Ready to earn your first badges?

1. **Register →** Get your Keyholder badge
2. **Complete KYC →** Upgrade to Gold + claim Early Bird (if eligible)
3. **Take Your First Quiz →** Earn First Spark badge
4. **Keep Learning →** Watch your badges grow and upgrade automatically!

Your badges are more than achievements - they're proof of your learning journey, stored forever on the blockchain. Start earning today!
